

DRAFT AGENDA

Dams, Sediment Discontinuity, and Management Responses in Mediterranean River Basins

Friday 05 October 2018 (0900-1800), Amphitheatre Descartes, ENS Lyon
in English and French with simultaneous translation

- 9h Welcome, conference overview *Hervé Joly, Matt Kondolf*
- 9h15 Physical processes governing sediment (dis)continuity in the Rhône *Hervé Piégay*
- 10h Pause café
- 10h30 The social life of solid load in the Rhône River : friends and enemies of sediments
Gabrielle Bouleau, Carole Barthélémy, Emeline Comby, Joanna Guerrin (video)
- 11h Panel & discussion : Innovations in managing sediment in the Rhône River Basin
Jean-Réné Malavoi, Frédéric Laval, Victoria Chiu, Sylvain Reynaud, Benoit Terrier, Emeline Comby
- 12h Lunch break
- 13h15 Environmental history and sediment (dis)continuity in the Ebro
Ramon J. Batalla, Damia Vericat
- 14h15 Physical/ecological processes and sediment (dis)continuity in the Po
Simone Bizzi, Nicola Surian
- 15h Pause Café
- 15h30 Environmental history and sediment (dis)continuity in the Po
Giacomo Parrinello
- 16h15 Panel & discussion: Managing sediment across river basins: Mediterranean, beyond
Flore Lafaye de Micheaux, Gabriel Melun, Damia Vericat, Herve Piégay, Nicola Surian
- 17h15 Summary of key conference themes *Matt Kondolf, Giacomo Parrinello*
General discussion
- 18h Adjourn
